In the current academic year, as a beginning we have conducted an online webinar on Live Interactive section on ASME scholarship on 6th October 2023 at 7 pm which was attended by 30 students in Google Meet.

We have conducted General body meeting on 18th October 2023 to discuss on planning to attend E Fest and Efx events which are scheduled in the coming semester.

Our students have participated in ASME EFx held in Dec 9, 2023, at Mar Athanasius College of Engineering, Kothamangalam, Kerala. The event featured engaging technical talks, thrilling competitions, and valuable networking opportunities. The main competitions held are as follows:

1. Elevator Pitch
2. Design Hackathon
3. Bridge Building
4. Promo video

Our students have bagged first prize in Bridge building competitions.
